

CME INFORMATION

EARLY CAREER WORKSHOP September 18, 2020 – September 18, 2021

Target Audience

This activity is designed for health care professionals in the areas of oncology, gastroenterology, pulmonology, surgery, radiology, nurses and allied fields involved with or interested in the use of NETs.

Educational Goal

The purpose of this educational activity is to provide attendees with evidence-based knowledge regarding NETs.

Learning Objectives

- Explain the strengths and weaknesses of imaging modalities in identifying NETs
- Recognize the relationships between genetics, immunochemistry and NETs
- Identify the role of surgery in the treatment and management of NETs
- Examine the various symptom and medical management therapies of NETs
- List the challenges in diagnosing and managing NETs
- Identify future considerations in the management of pulmonary NETs
- Explain a multidisciplinary approach to the management of NETs

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and North American Neuroendocrine Tumor Society. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this enduring material activity for a maximum of 2 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Start Date

September 18, 2020

End Date

September 18, 2021

Fees

There are no registration fees for this activity.

Participation Requirements

1. Read CME Information

2. View designated video
3. Logon to the following URL: <https://online-med-edu.com/nanet/ecm918>
4. Complete evaluation, credit request form, and download or print credit statement

Faculty and Disclosures

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
